

About Catharsis

Catharsis are an Arts Therapy service established in 2004; we are based in Derby but have a pool of freelance Art, Drama and Music therapists available to work throughout the East Midlands and beyond. We offer a range of services including 1:1 therapy, group interventions, workshops, training and Clinical Supervision. We work with children and adults who have a wide range of difficulties. Catharsis is firmly committed to diversity and equality in all areas of its operations. We are committed to promoting equality of opportunity both within our business and with our customers.

Due to recent successful tenders, Catharsis are keen to interview arts therapists available to work in South Yorkshire, and Stockport areas. We are especially interested in hearing from therapists who have experience working with trauma, CSE and attachment. Work can be in a variety of settings and may consist of short-term or long-term contracts.
